

Environmental Policy

Warwick Interiors (GB) Ltd is an interior build company that installs suspended ceilings, internal hoardings, partitions, dry lining, plastering and various other specialist works.

Warwick Interiors (GB) Ltd understands that its operations have an impact on the local and global environment and is committed to the continual environmental improvement of its activities.

Warwick Interiors (GB) Ltd. will:

- Be committed to compliance with all environmental legislation and ensure that the information is kept up to date through information from other support organizations including Association of Interior Specialists and CITB.
- Be committed to compliance with all industry standards and codes of conduct.
- Aim to prevent pollution by minimizing energy consumption and the use of materials that are harmful to the environment, reducing the amount of waste that is disposed of to landfill – a source of land, air and water pollution and recycling where ever possible.
- Ensure that all newly hired plant and newly purchased equipment is capable of meeting known and likely future known control standards.
- Develop an environmentally aware work force by ensuring that all employees are aware of our Environmental Policy and how it affects their roles within our organization.
- Carry out the necessary environmental training to develop an environmentally aware work force.
- Display this Policy on the office notice board where both staff and visitors can view it and also make it available to any interested parties on request.
- Review this Policy annually for relevance and update if the specific need arises.

The Director will be responsible for implementation of this Environmental Policy.

Signed.....Mr. Stuart Middleton
